Class Descriptions

BODYPUMP is the original barbell workout for absolutely everyone. Using light to moderate weights with lots of repetition (reps), BODYPUMP gives you a total body workout that burns calories, increases core strength, and improves bone health. *Instructors: Amy & Patrick*

Cardio Toning integrates aerobic fitness, strength training with dumbbells, and high intensity intervals (HIIT) to improve your cardiovascular fitness and endurance. *Instructor: Chris*

Chair Yoga is an accessible practice designed to help you enjoy the benefits of yoga with the support of a chair. You will learn a variety of breathing techniques and yoga postures to help you improve mobility, balance, coordination, flexibility, and strength. *Instructor: Sarah*

Core Essentials is a challenging and dynamic class that strengthens the core muscles, including the abs, hips, and lower back. The main focus is to help you develop a strong and stable core, improve posture, and increase overall fitness. *Instructor: Chris*

Family Fit is a high-energy, interactive exercise class designed for kids ages 4 and up AND their grown-ups to work out side-by-side in a fun, supportive environment. Expect games, circuits, teamwork challenges, music, and lots of laughs while building strength, coordination, and healthy habits for life. *Instructors: Shandi, Sarah*

Forever Fit is a 45-minute, all-levels strength class designed to help you maintain muscle, support bone health, and feel strong in your everyday activities. Using dumbbells, bodyweight exercises, and safe functional movement, this class focuses on improving strength, balance, and mobility in a supportive, encouraging environment. Perfect for active older adults or anyone looking for a low-impact, strength-building workout that supports long-term health and independence. *Instructor: Ronda*

Simply Yoga is a gentle yoga class designed for beginners. You will learn basic yoga postures with an emphasis on breathing and proper alignment. *Instructor: Renee*

Spin is a fun and motivating 45-minute indoor cycling workout designed to build cardiovascular endurance and strength through interval training. *Instructor: Ronda*

Strength is a challenging strength training class that incorporates barbell, dumbbell, and bodyweight exercises. Develop better balance, coordination, and power in this full-body workout. *Instructors: Sarah, Reid, Kaden*

Yoga is designed to strengthen, stretch, and relax your entire body while calming your mind. With an emphasis on breath, you will learn traditional yoga postures, alignment, and modifications. All levels welcome. *Instructors: Raylene, Sarah, Stacey*

ZUMBA takes the "work" out of workout by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Once the Latin and World rhythms take over, you'll see why Zumba Fitness classes are often called exercise in disguise. *Instructors: Ashley, Sheena*
